

Vivente Plus 100

Experience Better Living

Built-In

Combining the very latest in electric flame technologies, the Vivente Plus showcases our innovative Optiflame effect and is our most advanced energy efficient electric fire.

Available in three sizes – 75, 100 & 150, you can choose from three layout options: a single glass panel for a striking front-facing fire, two panels for a dynamic corner installation, or three panels for a truly panoramic effect.

Complete with a realistic ceramic log set, you can also enhance the magic by choosing our optional authentic log set which creates a stunning fireside glow through the dancing flames. The Vivente also boasts intelligent features such as ComfortSaver which is an energy efficient heater, offering savings of up to 11%. It also comes with SmartSense technology which detects room movement so when you are not in the room, the fire will switch off. Every function can be controlled from your smartphone via our 'Flame Connect' App giving you complete control over your fire

Discover Vivente Plus, the most advanced, realistic Optiflame experience ever.
